Re: Clive Dennis v. United Parcel Services, Inc. and Local 804  
Index No: 7 Civil-9754 (JLB)

Dear Judge Baer Jr:

We represent Plaintiff Dennis in the above referenced action and hereby respectfully regret to inform the court that effective forthwith, we will not continue to represent him in this case. Plaintiff Dennis have through out the course of this trial, refused to accept our legal advise as to the Federal Rules of civil procedure and also as to the legal issues involved in this matter, making it impossible for him to understand that attorneys can be sanctioned for attempting or continuing to prosecute frivolous and un-meritorious claims. We have advised plaintiff Dennis for him to listen and to understand to the rules and procedure governing his case, and have warned that he stops yelling, and disrespectfully instructing our office on what to say or do on legal issues presented in his case to no avail.

Accordingly, this letter is written late because for the past several days we could not agree on any issue until today that plaintiff has agreed to look for another attorney to continue the litigation of his claims. We pray that the court has not dismissed and should not dismiss the case because we could not file our response to plaintiff UPS' motion for judgement and plaintiff's letter requesting dismissal on same grounds.

We could not write immediately because we believed that plaintiff may eventually listen and also continued to find an alternative resolution on how to handle the matter. Plaintiff still does not agree with our interpretation of the said rules, laws and regulations but has accepted to look for another attorney to take over the case and also demands at least a

period two weeks for that purpose.

We respectfully request that your honor not dismiss plaintiff's complaint for failure to file opposition papers to defendant UPS' motion.

Thank you for your attention in this matter and we apologize for any inconvenience this request may cause the Court.

Respectfully submitted,

I can understand your  
desire that counsel does not  
believe ~~serve~~ serve you &  
it is its desire - you are -  
continue to be counsel to it until  
a new lawyer or your client  
picks you out - in either event I  
will be glad to  
accommodate you. For  
now I gather you are in  
default - perhaps the best  
have a P.T. (this week) &  
clarify where we all stand -  
call chambers for time.

Endorsement:

I can understand your desire but counsel does not get relieved simply because it is its desire - you are and continue to be counsel to plaintiff until a new lawyer comes in or your clients puts you out - in either event I will be glad to accommodate you. For now I gather you are in default perhaps we best have a PTC this week and clarify where we all stand - call Chambers for time.
